

AC2

Design : byKATO

ANDERSEN

TIMELESS SINCE 1916

PURE PERFECTION

The AC2 is yet another stunning design classic from byKATO. The chair has a minimalistic and honest design, with subtle details and sleek lines that emanate style and elegance.

The AC2 is extremely comfortable and crafted from first-class materials. Many varieties are available for this chair. Choose between a plain wood or upholstered seat, and leather or fabric upholstery in a wide selection of attractive colours. The beautiful wooden frame is available in oak natural oil, oak WoodCare, and black. The legs are equipped noise-absorbing, anti-slip studs which gives the chair a buoyant impression that ties the whole design together.

Seat height: 43,5 cm

Width: 58 cm
