

S4

Design: Ditlev Karsten

ANDERSEN
TIMELESS SINCE 1916

PURE BENEFICIAL

S4 is an exciting new sideboard, which is both spacious and practical. Ditlev Karsten has designed a brilliant item of storage furniture. The body is made of solid oak, treated with Wood Care for easy maintenance. You can choose between 2 colours for the doors: white or dusty green. The sideboard has a steel base, powder painted in either dusty green or white.

S4 is a beautiful and usable storage solution. A classic, spacious sideboard
