ANDERSEN

TIMELESS SINCE 1916

PURE PERSUASION

The Andersen Chair (TAC) is a stimulating confrontation of opposites. Classic warmth meets colourful creativity. Nordic minimalism blends temptingly with international design. Choose between matt white, matt black or seven glossy colours for the seat and choose between oak, ash, walnut and black for the legs. Finish the chair with a flourish (and a little extra comfort) by adding a fabric or leather cushion.

Seat height: 46 cm

Width: 45 cm
