

NEWS: C2 LAMP

Design: Herman Studio

The brand new lamp table from Andersen Furniture is a different and charming little piece of furniture. The lamp table is attractive and gives a nice, soft light. It is also practical as it can be folded away.

The lampshade is made of porcelain and the table/foot is in solid oak. The series also includes a table lamp.

Lamp table: Ø45 cm x H98,2/53,5 cm
