

MOOD

CHAIRS MADE OF RECYCLED PP

DAY-TO-DAY CLEANING:

Wipe with a cloth wrung out in hot water with washing-up liquid. Please note: soap flakes are not suitable because they leave a film on the surface.

SEAT CUSHION:

Please follow the cleaning instructions for your chosen fabric.

WOODEN LEGS:

Please wipe the legs with a clean damp cloth - wrung nearly dry.

LACQUERED METAL LEGS:

Please use a damp cloth wrung in warm water.

THOROUGH CLEANING:

PP can be cleaned with a cloth moistened with methylated spirits.

MOOD HIGHLIGHTS:

- Ergonomically contoured waterfall seat eliminates legs fatigue
- Eco-friendly seat shell in recycled PP
- The dotted texture on the seat is both decorative, reduces marks and has an anti-slippery effect.
- Elegant feminine shape
- Characterized by a timeless, minimalist but expressive design
- Each part is custom made and fulfills its specific role
